DKTGI/2023/ 799/B

Date ; 01-07-2023

Ragging is a problem of the students and by the students; and therefore, the solution to it also lies with the students. With ragging becoming rampant in colleges, it is about time that the student community awakens its conscience to this inhuman practice before more and more innocent students become victims of it and before more and more educational institutes are degraded by it.

If there is any incidence of ragging or alike, students may report to the following anti-ragging committee:
